**Federal Prison Health Care Receivership's Response
To Governor's Proposed Budget**

For Friday, January 08, 2010

Contact: Luis Patino (916) 956-5879

“The Receivership for California’s Inmate Medical Care is fully committed to working towards California’s compliance with the U.S. Constitution in the most cost-effective manner possible. We have already achieved cost reductions this year and stand ready to take on the challenge of further cost reductions while seeking to improve the delivery of care.”

- Luis Patino, CPHCS Director of Legislation, Communications, and Outreach
